

Eremon Farm is pleased to offer our annual summer Pony Camp! Our camps are designed offer your young rider(s) a chance to experience the art and love of horse riding and care first hand. Our camp is exclusively horse focused, with all activities relating directly to equine safety, riding and care. Among many things, children will learn:

- Horse and barn safety
- How to tack, ride and care for their horse
- Name the parts of the horse and tack
- Become proficient in barn and tack care;
- And, of course, ride!

All of the above are accomplished through daily instruction, games and hands-on learning. Parents are also invited to join us on our last day for a mini “show” where the students will have a chance to show off what they have learned over the week.

Owner/Trainer Joanna Jackowich has years of experience teaching and directing pony camps, and personally heads up each camp to ensure a safe and fun learning atmosphere for all students.
