

Eremon Farm is pleased to offer our annual Summer Riding Camps! Our camps are designed to offer your young rider(s) a chance to experience the art and love of horse riding and care first hand.

**Our camps are exclusively horse focused and designed to provide a large amount of saddle time so our beginning campers can learn their basics (walk/trot/canter and pole courses) or our more experienced riders can learn new, more advanced riding techniques with their flat work and jumping.**

Among many things, our campers will learn:

- Horse and barn safety
- How to tack, ride and care for their horse
- Name the parts of the horse and tack
- Become proficient in barn and tack care;
- And, of course, ride!

Below is a list of session dates and times. Each session is from **9:00 a.m. to 3:30 p.m., Monday through Friday, with cost at \$495.00 per child.**

- **June 27 – July 1**
- **July 11 – 15**
- **July 25 – 29**

We have **twice daily riding sessions**, mounted games and plenty of hands-on learning time with the horses. Parents are also invited to join us on our last day for a mini “show” where the students will have a chance to show off what they have learned over the week.

Owner/Trainer Joanna Jackowich has years of experience teaching and directing riding camps, as well as being a professional A circuit instructor and coach. Joanna personally heads up each camp to ensure a safe and fun learning atmosphere for all students.

To sign up, simply download and complete the registration form provided at [www.eremonfarm.com](http://www.eremonfarm.com) and return it either in person or by mail.
